

## **Project Name:**

Selenium E-Commerce Automation Project

## **Module/Feature:**

Add to Cart

## **Reported By:**

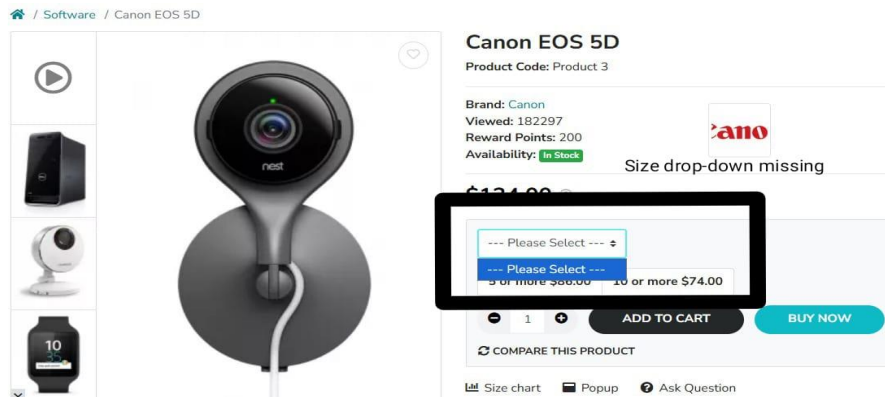

Fizza Javed

## **Date Reported**

*17 October 2025*

## **Test Environment:**

- **Application Type:** Web
- **Browser:** Google Chrome
- **Automation Tool:** Selenium WebDriver
- **Framework:** TestNG
- **IDE:** Eclipse
- **Operating System:** Windows 10

## Bug Details

Field	Description
Bug ID	BUG-001
Feature/Module	Add to Cart
Summary/Title	Size dropdown not displayed; unable to add product to cart
Pre-Condition	User must be logged in and navigate to the product page.
Steps to Reproduce	<ol style="list-style-type: none"><li>1. Login to the application</li><li>2. Go to the Product Page</li><li>3. Select a product that requires size selection</li><li>4. Try to choose a size and click “Add to Cart”</li></ol>
Expected Result	The user should be able to select a size from the dropdown and successfully add the product to the cart.
Actual Result	The size dropdown is not visible; user cannot select a size or add the product to the cart.
Severity	Major
Priority	High
Status	Open
Screenshot	Bug-01_AddToCartBug.png (Attach in GitHub folder:screenshots)

## Impact

- Blocks the “Add to Cart” test case from passing.
- Impacts shopping cart functionality and user checkout experience.

## Recommendation

- Verify that the size dropdown element is loaded properly in the DOM.
- Update automation script to wait for the dropdown element using WebDriverWait.
- Coordinate with the developer to fix missing dropdown in the UI.
